Dear Honourable Minister,

**RE: Relocation of the Immigration Case Processing Centre in Vegreville**

The Town of Mundare respectfully requests that you reconsider the decision to move the Immigration Case Processing Centre from Vegreville to Edmonton.

The closure of the CPC will not only effect the Town of Vegreville but surrounding communities as residents of our town also work at the CPC. The economic impact will not only be felt by the families, but by the schools, churches, businesses and community clubs. Rural communities play a vital role in Canada, and we need to ensure that our communities stay vibrant and strong.

Our Council is concerned about the impact of the closure to the Town of Vegreville and the surrounding communities. We advocate to you and the Honorable Minister of Immigration to keep this vital facility in the Town of Vegreville.

We look forward to hearing from you on this very pressing matter.

Sincerely,
